FREIBURG
UNICLIMAX

**Three Freiburg institutions for biological-medical research
—
one combined seminar calendar**

www.uniclimax.com

UNICLIMAX is a combined seminar calendar from the fields of biology and medicine. It independently lists well-curated and interesting seminars and events by the three mayor institutions for biological and medical research in Freiburg: **University, Clinic** and the **Max Planck Institute of Immunobiology and Epigenetics**.

You can find more information on www.uniclimax.com
